

BACK TO SCHOOL

SCHOOL READINESS

JAN 2024, HOLIDAY PROGRAM

Canterbury Neighbourhood Centre

Mon 22nd, Tues 23rd, Wed 24th January

Starting Prep

9.30am - 12.30pm

Starting Grade 1

1.30 - 4.30pm

Over a 3 day program your child will be taught by an experienced teacher and led through activities to enhance their foundational skills in Literacy and Numeracy using an evidence based program "Little Learners Love Literacy". We will be teaching the basics in reading, spelling, handwriting, writing and using our fabulous 'Little Learner' decodable readers. Number sense skills taught will follow the Victorian Curriculum guidelines. The focus is on explicit teaching and modelling along with multisensory, hands on activities and loads of teacher corrective feedback.

We will also engage your child in social skill development through cooperation, turn taking, asking for help and interacting with peers.
